NORTH CHARLESTON, S.C. – Deputies with the Charleston County Sheriff's Office made three arrests on September 6th 2026 as part of an investigation into an illegal street takeover event on Storage Road in Hollywood, SC.

The arrests resulted in the following charges:

- Two counts of violating the state's Street Takeover Law
- One count of Resisting Arrest
- One count of possession of a machine gun
- One count of receiving stolen goods (Glock 40 caliber pistol)

Along with the arrests, deputies recovered one Glock handgun equipped with an automatic switch and impounded a 2017 Dodge Charger.

"We have made it very clear from the very beginning that we will not tolerate street takeovers in Charleston County. These dangerous events present a serious public safety threat to our entire community and we will continue to take aggressive action to hold those responsible accountable. We want to thank our community for their continued support. We hear you and we thank you. It takes a community working together to keep Charleston County safe." Sheriff Carl Ritchie.

South Carolina's new street takeover law (The Roadway Protection and Safety Act) which was passed in May of 2026, makes participating in, organizing, or aiding a street takeover a criminal offense.
